

2nd World Forum Principle of Scientific Publications

Wednesday 23 November 2022

Oral session: Language (8:30-10:00)

time	[id] title	presenter
8:30	[40] Language barriers in academia: moving towards a more empathetic, and multilingual science	Mrs ITURRALDE-POLIT, Paula Dr PERALTA, Diego
8:45	[33] Creation of a multilingual collaborative platform for the identification of investment opportunities from biomass transformation processes with applications in Latin America and the Caribbean	Prof. OREJUELA-ESCOBAR, Lourdes Magdalena
9:00	[50] Five Rules of Effective Writing in the Sciences	Dr PERALTA, David
9:15	[25] Indigenous Languages in the Scientific World: A native speaker perspective	GUALAPURO, Santiago
9:30	[30] Preserving richness of data during language translation in the Social Sciences	CARRICK, Oliver James
9:45	[35] Adaptation of the Periodic Table to Kichwa: An Ecuadorian Native Language	Mr ANDINO ENRÍQUEZ, JOSÉ ESTEBAN Mr ANDINO ENRÍQUEZ, MANUEL ALEJANDRO Ms HIDALGO BAEZ, FRANCIS EMILIA Ms CHALÁN GUALÁN, SISA PAKARY Mr GUALAPURO GUALAPURO, SANTIAGO DAVID Ms CHICAIZA LEMA, MICHELLE BEATRIZ

Oral session: Ethics (13:30-15:00)

time	[id] title	presenter
13:30	[34] ENGINEERING RESEARCH AND INNOVATION FOR THE INTEGRATION OF ACADEMY AND SOCIETY	VELÁZQUEZ-ARAQUE, Luis
13:45	[29] Open Science: How Study Preregistration, Data Repositories, and Public Hypotheses Contribute to Research Integrity and Improve Collaborative Research Productivity.	Prof. POHLMANN, Attila
14:00	[27] Reason and Power: Derrida on the Viability of the Modern University	NEVO, Isaac (Yanni)
14:15	[36] Publicación de datos de biodiversidad a través de la Infraestructura Mundial GBIF: Avances y perspectivas desde el Ecuador	Mr ANDRADE, Ricardo
14:30	[8] Comparing Russian pro-war and anti-war scientists	Dr MELIKHOVA, Larisa

Thursday 24 November 2022

Oral session: Publishing processes (8:30-10:00)

time	[id] title	presenter
8:30	[46] Journal impact factors are more than just proxies of impact	Prof. PATIENCE, Gregory
8:45	[14] Actual status of the research publication process in Colombia	Mrs RIVERA-QUINTERO , Paula
9:00	[28] Revista Politécnica: The Path to Indexing in Scopus	Prof. TORRES, Jenny
9:15	[51] Open Access Trends and MDPI	Dr VICARIO, Unai
9:30	[10] Scientific production and its importance for international university rankings	ROSALES RICARDO, Yury

Oral session: Equity, Diversity and Inclusion (13:30-15:00)

time	[id] title	presenter
13:45	[37] The A, B, C of a PhD mom working in STEM fields (and how to not die trying)	Prof. LANDÁZURI, Andrea
14:00	[31] From scientists to mermaids, representation matters	Dr VILLASANA, Yanet
14:15	[19] Nascent researchers: challenges and opportunities in scientific production	Ms LEÓN, Brigitte
14:30	[38] "Career development for Latin American young scientists in Europe: challenges and opportunities"	Ms VACA SANCHEZ, Sara Andrea
14:45	[44] The role of support networks for women scientists	Dr ZAMBRANO, Andrea

Friday 25 November 2022

Oral session: Miscellaneous (8:30-10:30)

time	[id] title	presenter
8:30	[56] The role of indigenous language for the First Nations in Canada	TEEGEE, Mary
8:45	[16] Effective Writing Strategies to Increase Citations	Dr ALEXIS, FRANK
9:00	[21] Ethics and the Everyday: Unpacking the Morality Framework in the Use of Mainstream Zimbabwean Languages in Sexuality Education	Dr SIBANDA, Lidion
9:15	[41] Climbing down the Ivory tower – Using knowledge co-production to make science available, accessible, and inclusive.	Mr GUERRÓN-OREJUELA, Edgar
9:30	[45] La inclusión educativa universitaria y la realidad de un ingeniero químico en la industria farmacéutica.	Mr CRIOLLO, Jhonatan
9:45	[39] Indigenous knowledge interaction network between host plants and edible insects in the Ecuadorian Amazon	Ms GUACHAMIN ROSERO, Michelle
